### The Sunday Times Microsoft Tech Track 100 recognises Link HR

Link HR is delighted to announce that it has ranked 34th in the Sunday Times Microsoft Tech Track 100 league table. Tech Track 100 ranks Britain's fastest-growing private tech companies who have increased their sales by an average of more than 91% a year between 2003-2005.

The Tech Track 100 league table, sponsored by Microsoft, is produced by Fast Track, the Oxford-based research, publishing and networking events company. The annual league table was published as part of a 16-page supplement in the Sunday Times on 24th September 2006.

Full details of the league table can be found on Fast Track's website:
